Night of the Fourth.

The audience that assembled at the Bijou last night found that Richmonders have not forgotten their old favorites of the Bijou Musical Comedy Company, even though they return with a name as long as your arm. Senator Chauncey Mitchell Depew, of New York, still holds the paim for letting the public into more of his life's secrets than any other member of either branch, his sketch occupying nearly a page, and being considerably over 600 words, but the new Democratic Congressman, Robert Baker, of Brooklyn, takes nearly as much space to tell how he has spent the public side of his life.

Congressman Adam Byrd, of the Fifth Mississippl District, leads all the rest in brevity. His biography reads thus: "Adam Byrd, Democrat, of Philadelphia, was clected to the Fifty-eighth Congress, receiving 3,681 votes."

This year the big list of principals includes Ruth White as "Willie," Oscar L. Figman, as the Burgomaster, William Riley Hatch, Thomas Ricketts, Charles Sharp, R. J. Vould Remove Capital of That Country to Panama, But it Will be Refused.

#### GENERAL REYES GRATIFIED

No Diplomatic Rupture Between This Country and Colombia and Our Minister is Safe.

Rear-Admiral Coghlan, commander of the Caribbean Squadron, cabled the Navy Department from Colon, under date of November 21st, that General Royes, the special commissioner of the Bogota Government, tenders his sincere thanks to President Roosevelt and Socretary of the Navy Moody for his gracious treatment Coghlan confirms the press dispatches Washington, via Port Limon, Costa Rica,

It is believed here that aside from a proposition for Panama to assume part of the Colombian foreign debt, General Reyes' main purpose is to advance the or the Colombian foreign debt, General Reyes' main purpose is to advance the suggestion that the capital of Colombia be transferred to the city of Panama. This would be equivalent to the annexation of Colombia by Panama. The opinion in official circles here is that, though flattering, the proposition will be rejected by the Panama Commissioners if for no other reason than because through sheer weight of numbers the Colombians soon would control the administration of the reunited republic, and the situation as to Panama would be as it was before the revolution and separation.

republic, and the situation as to Panama would be as it was before the revolution and separation.

OUR MINISTER SAFE.

Mr. Beaupre's status remains unchanged, so far as the officials here know, and notwithstanding the menacing tone of the notes addressed to him by the Colombian minister for foreign affairs, as set out in the press dispatches from Bogota, the State Department does not consider that there has been a breach in the relations between the United States and Colombia.

The fact that the Colombian legation here is still open for, business, under instructions from Bogota, is confirmatory evidence of the fact that there has been no rupture of relations.

Mr. Beaupro has informed the minister for foreign affairs that the United States has recognized Panama and has extended the good offices of our government to patch up peace. The Colombian answer to this last proposition has not yet been received.
